

12 –15 APRIL 2014

UPDATE # 3

There are just over 6 months to go now and we'll soon be counting down in sleeps.

WE'VE NEARLY REACHED OUR LIMIT!

There has been a steady flow of entries for NatMeet XI and we are now approaching the point where we may soon need to close off registration. At the time of writing, there had been 74 cars entered. Our limit is 80 cars.

Entries received after we reach the limit will be placed on a stand-by list.

DEPOSITS AND FIRST INSTALMENTS OVERDUE

Deposits are due upon registration and first instalment payments were due on 1 September 2013.

If you are registering now, you must pay the deposit (\$100 per person) plus the first instalment (\$100 per person). Alternatively, you may pay the full entry fee (\$295 per person) up front.

If you are behind in your payments, please do the right thing, meet your obligations and pay your fees now.

If you are uncertain about your payment status, please contact [John Tait](#)

"HOW TO" ARTICLES

There will be some "how to" articles coming your way soon. These will cover the best way to prepare and present your car for the Concours d'Elegance on 13 April 2014 and the best technique to safely drive Lakeside for those competing at the track day speed event on 14 April 2014.
