

This event is intended for drivers who want to improve their car control skills for day-to-day driving, or to progress to driving at club track days at Wakefield Park or Sydney Motor Sport Park.

Please note this is not formal driving tuition; it is assumed that all participants are able to operate their vehicle competently and safely.

The Marulan Driver Training Centre (MDTC) has a relatively tight track used primarily for driver training events. The track is well suited to MX-5s, and speeds at MDTC are similar to those on public roads, with about 100 km/h being the top speed that most MX-5 drivers would achieve at the track.

No timing will be performed at this event, as it is a training day, and not for competition against other drivers.

Event Registration

Registration for event participation is via a google form hosted on the MX-5 Club of NSW website. **Please complete all fields**

Prior Track Experience

In order for you to get the most out of the day, we need an honest determination of your experience in a track environment (not necessarily in a competition environment) so that we can group you with others with similar experience levels.

The below may serve as a **rough guide** of your previous experience:

- **First-Timer** is someone who has not previously driven **any** track day before
Advisers are allocated to this group for the first 3 runs and made available for the remainder of the day as required
- **Beginner** is someone who has had up to 3 track experiences
- **Intermediate** is someone who has had up to 5 track experiences
- **Advanced** is someone who has had more than 5 track experiences
- **Expert** is someone who has extensive track or competition experience
- **Club Appointed Adviser** are club members with competition experience who are assisting on the day

Assistance/Advisers

A number of club members with competition experience have volunteered their time to provide in-car advice for all groups. Drivers are not required to have an adviser in their car when on-track, but are strongly encouraged to make good use of them. All levels of experience can request the support of an adviser, please note, first timers and juniors are automatically assigned advisers and have priority.

Junior Participants

This event is open to Junior Drivers from the age of 14 to 17.

Confirmation of entry to the day is conditional the Junior being able to competently and safely drive a motor vehicle and on receiving a minimum of 4 junior driver entrants in order to create a separate Junior Group (as no drivers over 17 years of age can be included in this group).

A maximum of 7 Junior Drivers are expected to be accommodated due to the requirement to provide advisers for every junior round.

Junior drivers must not go out in any other session except the Junior Group and **must** have an adviser in the vehicle at all times.

Juniors are unable to passenger any vehicle on the track

Passengers

A person other than an adviser may be taken as a passenger, as long as the following conditions are met

1. If the vehicle is a soft top, roll over protection is installed (not a style bar); and
2. The passenger must :
 - a. Be over the age of 17
 - b. Have completed a MDTC indemnity form; and
 - c. Hold a valid MDTC licence.

Licensing Requirements

For those who don't already have a competition licence, you have 3 licensing options (links current as at Feb 17):

- **MDTC licence for \$40 which can be purchased on the day at the track.** This licence is valid for 12 months from the date of issue and covers events at the MDTC venue.

Or, you can apply for the following **at least 4 weeks prior to the event** (to allow for processing and delivery of the licence):

- **CAMS L2S licence for \$130.** This licence is valid for 12 months and covers MDTC events and also MX-5 Club track days at both Wakefield Park and Sydney Motor Sport Park.

Driver Clothing & Personal Protective Equipment Requirements

Helmets are mandatory.

Helmets can be hired on the day from MDTC for \$20, plus a \$50 **CASH-ONLY** deposit (returned on return of helmet).

Non-flammable (cotton) clothing must extend to cover from neck to wrists and ankles

Shoes must be fully enclosed with leather uppers and flat soles (no high heels, sandals or thongs).

Car Requirements

You should ensure your car is in good condition, particularly the brakes and tyres. If running your car on road tyres, please check your tyre pressures, for first timers in particular, ensure that your tyres are inflated to road pressures.

If you are nearing your service interval, look to have this undertaken prior to the day to ensure your car is in the best condition.

Please remove all loose items out of your car on arrival, boot, interior, glove box, even the floor mats. You can deposit them in the cafe; however, MDTC are not responsible for their care.

Event Format

Upon entry to MDTC all participants are to attend a compulsory driver briefing BEFORE commencing any on-track activities

Drivers will be assigned to groups, **based on their track experience**, with up to 10 drivers per group. Each group will be allowed on to the track in turn, with the time on-track for each group controlled by the MDTC marshal.
