

Mazda MX-5 Club of NSW Inc.

Driver Training Day

Sunday, 26th October 2014

Marulan Driver Training Centre

This event is intended primarily for drivers who want to improve their car control skills for day-to-day driving, or to progress to driving at club track days at Wakefield Park or Sydney Motor Sport Park.

The Marulan Driver Training Centre (MDTC) has a relatively tight track used primarily for driver training events. The track is well suited to MX-5s, and speeds at MDTC are similar to those on public roads, with 100 km/h being the top speed that most MX-5 drivers would achieve at the track.

No timing will be performed at this event, as it intended to be a training day, and not for competition against other drivers.

Event Registration

Registration will commence at 8.00am. You will need to show your valid competition licence (CAMS, AASA or MDTC) or alternately purchase a licence as detailed below. At registration please indicate if you are sharing a car with another driver at the event.

All drivers must register for the event and complete a MDTC indemnity form and (if not already holding a competition licence) purchasing a MDTC licence.

Any person wishing to be a passenger must also register at the event, by completing a MDTC indemnity form and (if not already holding a competition licence) purchasing a MDTC licence.

A copy of the MDTC indemnity form shall be made available for completion prior to registration.

Licensing Requirements

For those who don't already have a competition licence, you have 3 licensing options:

- **MDTC licence for \$40 which can be purchased on the day at the track.** This licence is valid for 12 months and covers events at the MDTC venue.

Or, you can apply for the following at least **4 weeks prior to the event** (to allow for processing and delivery of the licence):

- **AASA Club Licence for \$50.** This licence is also valid for 12 months, and in addition to MDTC events, is also valid for MX-5 Club track days at Wakefield Park.

Applications can be made at from the following link:

<http://australianautosportalliance.com/wp-content/uploads/2011/09/CLUB-LICENCE-APPLICATION1.pdf>

- **CAMS L2S licence for \$110.** This licence is valid for 12 months and covers MDTC events and also MX-5 Club track days at both Wakefield Park and Sydney Motor Sport Park.

Applications can be made at from the following link:

<http://docs.cams.com.au/CAMS%20Forms/Competitors/CAMS%20Level%20%20Licence.pdf>

Please ensure that you bring your competition licence

Driver Requirements

- Helmets are mandatory. Helmets can be hired on the day from MDTC for \$20, plus a \$50 CASH-ONLY deposit.
- Non-flammable clothing and leather, flat soled shoes. Clothing should extend to cover from neck to wrists and ankles (to achieve the minimum of exposed skin).

Car Requirements

You should ensure your car is in good condition, particularly brakes and tyres. If you are close to your service interval, look to have this undertaken prior to the day to ensure your car is in the best condition.

If running your car on road tyres, please check your tyre pressures, for first timers in particular, ensure that your tyres are inflated to road pressures.

Please remove all loose items out of your car on arrival, boot, interior, glove box, floor mats etc.

Driver Training Day

Sunday, 26th October 2014

Marulan Driver Training Centre

Event Format

Drivers will be assigned to groups, **based on their track experience**, with around 8 drivers per group. Each group will be allowed on to the track in turn, with the time on-track for each group controlled by the MDTC marshall.

A number of club members with competition experience will be available to provide in-car advice. Drivers are not required to have an adviser in their car when on-track, but are strongly encouraged to make good use of them.

A person other than an adviser may be taken as a passenger, so long as they are also a driver registered at the event, or they have completed a MDTC indemnity form and bought a MDTC licence (if they do not already have a competition licence).

Prior Track Experience

In order for you to get the most out of the day, we need an honest determination of your experience in a track environment so that we can group you with other members with similar experience levels.

- **First-Timer** is someone who has not previously driven a track day
- **Less than 3** (Beginner) is a someone who has previously driven a track day (less than 3 occasions)
- **Less than 5** (Beginner Novice) is someone who has some track day experience (less than 5 occasions)
- **More than 5** (Novice) is someone with more than 5 previous track day experiences, not necessarily competition
- **Expert** is someone with extensive competition experience

Event Timetable

- 8:00am Gates at the MDTC and registration will open at the MDTC administration office. The MDTC Café will be open shortly after to serve breakfast.
- 8:45am A compulsory track walk and briefing. The track walk explains correct lines and other important information for participants.
- 9:15am On-track activities start
- 4:00pm On-track activities finish

Lunch

No lunch break is planned, and on track activities will continue through the day to maximise the available on-track time. Bring your lunch, or get it from the Café which will be open all day.

Directions

For directions to the MDTC go to www.mdtc.com.au

Accommodation

Given the early start, there are options to stay in Marulan (Marulan Motor Inn which is 10 minutes from MDTC) or Goulburn the night before.

Contact will be made prior to the event to organise a dinner for those staying locally for the event, it's a great opportunity to socialise with like-minded people in a relaxed setting, great opportunity to meet new friends.

Entry

Numbers are limited in order to ensure that all get the most from the experience and maximise track time.

First Timers: \$100 All other levels \$125 (inclusive of GST)
